### **14. SALE AND REDEMPTION**

In accordance with the Regulations, the arrangements for the sale and redemption of shares in the Company are as set out in the Prospectus. Any restrictions that apply in relation to the sale and redemption of shares are as set out in Parts 1 and 2 of the Schedule to this Instrument.

### **15. FUNDS**

15.1 Subject to the FSA Rules, all consideration received for the account of the Company for the issue of shares in respect of a Fund together with the investments in which such consideration is invested or reinvested, and all assets, income, earnings, profits and proceeds thereof and liabilities and expenses relating thereto shall be pooled and kept separate from all other monies, assets, investments, liabilities and expenses of the Company and the following provisions shall apply to each Fund:

- (a) for each Fund the Company shall keep books in which all transactions relating to the relevant Fund shall be separately recorded and the assets and the liabilities, income and expenditure attributable to that Fund shall be applied or charged to such Fund subject to the provisions of this clause;
- (b) any asset derived from any other asset (whether cash or otherwise) comprised in any Fund shall be applied in the books of the Company to the same Fund as the asset from which it was derived and any increase or diminution in the value of such asset shall be applied to the relevant Fund;
- (c) each Fund shall be charged with the liabilities, expenses, costs and charges of the Company in respect of or attributable to that Fund; and
- (d) any assets, liabilities, expenses, costs or charges not attributable to one Fund only, and allocated in accordance with the FSA Rules, may be reallocated by the Directors provided that such reallocation shall be done in a manner which is fair to the shareholders of the Company generally.

15.2 Any Fund shall be terminated subject to and in accordance with the Regulations, by the Directors in their absolute discretion if:

- (a) one year from the date of the first issue of shares relating to that Fund or at any date thereafter the Net Asset Value of the Fund is less than £1,000,000 or its equivalent in the base currency of the Fund; or

(b) the Directors decide that it is desirable to terminate the Fund.

15.3 The Funds of the Company for the time being constituted and their respective investment objectives are set out in Part 2 of the Schedule to this Instrument.

15.4 Subject to Clause 5 (and without prejudice to clause 32.1), the Directors may by resolution from time to time create such additional Fund or Funds with such investment objectives and such restrictions as to geographic area, economic sector, category of investment, or otherwise, and denominated in such currencies, as the Directors shall from time to time determine. On creation of any such Fund or Funds a new Part 2 of the Schedule to this Instrument including the specified details of the new Fund or Funds (as well as those of the other extant Funds) shall be substituted for the previous one and shall form part of this Instrument to the exclusion of the previous one.

## **16. VALUATION AND PRICING**

The Net Asset Value of the Company and each Fund shall be determined in accordance with the FSA Rules, and, subject thereto, in accordance with Part 3 of the Schedule to this Instrument and the Prospectus. Subject to the FSA Rules and in the absence of bad faith, negligence or manifest error, such determination by the ACD shall be definitive. The basis for the pricing of any shares issued by the Company shall be on a forward pricing basis only in accordance with the FSA Rules.

## **17. EXCHANGE OF SHARES ETC**

17.1 Subject to the following provisions of this clause and the Prospectus, any shareholder may give notice to the Company in such form as the Directors may from time to time determine (“an exchange notice”) of his desire to exchange all or some of his shares of one class issued in respect of any Fund (the “original shares”) for shares of another class issued in respect of the same Fund or for shares issued in respect of a different Fund, (the “new shares”).

17.2 Upon receipt by the Company of an exchange notice, the ACD shall arrange for the Company to cancel (or, at its discretion, the ACD shall itself redeem) the original shares and issue (or, at its discretion, the ACD shall sell to the shareholder) such number of new shares as is arrived at by reference to clause 17.6 provided that, so far as the Regulations allow and subject to clause 17.7, the Directors may impose such restrictions as to the classes for which exchange may be effected and may make exchange subject to such charge, as they shall determine.

17.3 Where an exchange notice relates to a desired exchange of shares between classes issued in respect of different Funds, the Directors shall not impose restrictions as to the classes of new shares for which exchange may be effected unless the provisions of the Prospectus limit the issue of units or impose a minimum size of holding or dealing in such other share classes in respect of such different Funds or otherwise there are reasonable grounds relating to the circumstances of the

shareholder concerned for refusing to issue or sell shares of a particular class to him.

- 17.4 Exchange pursuant to this clause of the original shares specified in an exchange notice shall take place at the first valuation point after the time upon which the exchange notice is received or deemed to have been received by the Company or at such other valuation point as the Directors at the request of the shareholder giving the relevant exchange notice may determine. Where the exchange is between shares of Funds that have different valuation points the cancellation or redemption of the original shares shall take place at the next valuation point of the relevant Fund following receipt (or deemed receipt) of exchange notice by the Company and the issue or sale of new shares shall take place at the next subsequent valuation point of the different Fund.
- 17.5 For the purposes of this clause and for the avoidance of doubt, the ACD shall be construed as the shareholder of all shares in the Company which are in issue and in respect of which no other person's name is entered on the register.
- 17.6 Subject to clauses 17.7 and 17.8 the ACD shall determine the number of new shares to be issued or sold to the shareholder on an exchange in accordance with the following formula:

$$N = O \times \frac{CP \times ER}{SP}$$

Where:

- N is the number of new shares to be issued or sold (rounded down to the nearest whole number of smaller denomination shares);
- O is the number of original shares specified (or deemed to be specified) in the exchange notice which the holder has requested to exchange;
- CP is the price at which a single original share may be cancelled or redeemed as at the valuation point applicable to the cancellation or redemption as the case may be;
- ER is 1, where the original shares and the new shares are designated in the same currency and, in any other case, is the exchange rate determined by the Directors in their absolute discretion (subject to the FSA Rules as representing the effective rate of exchange between the two relevant currencies as at the date the exchange notice is received (or deemed to have been received) by the Company having adjusted such rate as may be necessary to reflect any costs incurred by the Company in making any transfer of assets as may be required as a consequence of such an exchange being effected; and

- SP is the price at which a single new share may be issued or sold as at the valuation point applicable to the cancellation or redemption as the case may be.
- 17.7 The Directors may adjust the number of new shares to be issued or sold in accordance with clause 17.6 to reflect the imposition of the exchange charge referred to in clause 17.2 together with any other charges or levies in respect of the issue or sale of the new shares or cancellation or redemption of the original shares as may be made without infringement of the Regulations.
- 17.8 Where an exchange of shares would, if effected in accordance with the terms of any exchange notice, result in a shareholder holding less than the permitted minimum holding (by number or value) of either original shares or new shares as set out in the Prospectus, then the Directors may (at their discretion) decide either to:
- (a) treat the shareholder in question as having served an exchange notice in respect of their entire holding of original shares; or
  - (b) refuse to give effect to the exchange notice in question.
- 17.9 For the avoidance of doubt:
- (a) each exchange notice shall relate only to the exchange of shares of a single class; and
  - (b) an exchange notice may be given as much in respect of a desired exchange of shares between classes issued in respect of different Funds as an exchange of shares between different classes issued in respect of the same Fund.
- 17.10 When the holder of any gross paying shares fails or ceases for whatever reason to be entitled to receive distributions or have allocations made in respect of his holding of such shares without deduction of United Kingdom tax he shall, without delay, give notice thereof to the Company and the Company shall, upon receipt of such notice, treat the shareholder concerned as if he had served on the Company an exchange notice or notices pursuant to clause 17.1 requesting exchange of all of the gross paying shares owned by such holder for net paying shares of the class or classes which, in the opinion of the Directors, most nearly equate to the class or classes of gross paying shares held by that shareholder and the provisions of clauses 17.1 to 17.9 inclusive shall be applied accordingly.
- 17.11 If at any time the Company or the Directors become aware that the holder of any gross paying shares has failed or ceased for whatever reason to be entitled to receive distributions or have allocations made in respect of his holding of such shares without deduction of United Kingdom tax, then the Company shall, without delay, treat the shareholder concerned as if he had served on the Company an exchange notice or notices pursuant to clause 17.1 requesting exchange of all of the gross paying shares owned by such holder for net paying shares of the class or

classes which, in the opinion of the Directors, most nearly equates to the class or classes of gross paying shares held by that shareholder and the provisions of clauses 17.1 to 17.9 inclusive shall be applied accordingly.

- 17.12 An amount equal to any tax charge incurred by the Company or for which the Company may be held liable as a result of an exchange pursuant to clause 17.1 shall be recoverable from the shareholder concerned and may be accounted for in any adjustment made of the number of new shares to be issued pursuant to clause 17.6.
- 17.13 If at any time the ACD is not entitled to receive distributions or have income allocations made in respect of shares held by it without deduction of United Kingdom tax and has redeemed any gross paying shares pursuant to the FSA Rules, the ACD shall forthwith following such redemption arrange for the Company to cancel any such gross paying shares or (at its discretion) the ACD shall forthwith sell such gross paying shares to a person who is (or appears to the ACD to be) entitled to hold the same.

## **18. QUALIFICATIONS AND RESTRICTIONS ON HOLDING SHARES**

- 18.1 The ACD may from time to time take such action and impose such restrictions as it thinks necessary for the purpose of ensuring that no shares in the Company are acquired or held by any person in circumstances (“relevant circumstances”):
- (a) which constitute a breach of the law or governmental regulation (or any interpretation of a law or regulation by a competent authority) of any country or territory; or
  - (b) which would (or would if other shares were acquired or held in like circumstances) result in the Company incurring any liability to taxation or suffering any other adverse consequence (including a requirement to register under any securities or investment or similar laws or governmental regulation of any country or territory);
  - (c) subject to the FSA Rules, where the acquisition or holding by a particular person would contravene such restrictions as the Directors have imposed from time to time as they consider necessary for the purpose of ensuring that no shares in the Company are held in contravention of this clause;

and, in this connection, the ACD may, inter alia, reject at its discretion any subscription for, sale or transfer of, shares or any exchange notice given pursuant to clause 17.1.

- 18.2 If it comes to the notice of the Directors that any shares (“affected shares”) have been acquired or are being held in each case whether beneficially or otherwise in any of the relevant circumstances referred to in clause 18.1 or if they reasonably believe this to be the case the Directors may give notice to the holder of the affected shares requiring the transfer of such shares to a person who is qualified or entitled

to own the same or to give a request in writing for the redemption or cancellation of such shares in accordance with the FSA Rules. If any person upon whom such a notice is served pursuant to this clause does not within thirty days after the date of such notice transfer his shares to a person qualified to hold the same, or establish to the satisfaction of the ACD (whose judgement shall be final and binding) that he and any person on whose behalf he holds the affected shares are qualified and entitled to hold the shares, he shall be deemed upon the expiration of that thirty day period to have given a request in writing for the redemption or cancellation (at the discretion of the ACD) of the affected shares pursuant to the FSA Rules.

- 18.3 A person who becomes aware that he has acquired or holds shares whether beneficially or otherwise ("affected shares") in any of the relevant circumstances referred to in clause 17.1 shall forthwith, unless he has already received a notice pursuant to clause 18.2 either transfer or procure the transfer of all the affected shares to a person qualified to own the same or give a request in writing or procure that a request is so given for the redemption or cancellation of all the affected shares pursuant to the FSA Rules.

## **19. EVIDENCE OF TITLE TO SHARES**

- 19.1 The Company shall not issue share certificates.
- 19.2 Title to shares shall be evidenced by an entry in the register of shareholders ("registered shares"), and the Company shall not be obliged to issue certificates to shareholders, but where no certificate is issued a statement of shareholding ("statement") in respect of shares shall be sent to a holder at least once a year or upon any alternation in the number of shares to which the holder is entitled in such form as the Directors may decide. A statement shall not constitute a document of title to the share to which it refers. The Company is authorised to charge for issuing any document recording, or for amending, an entry on the register (other than on the issue or sale of shares).
- 19.3 The Company shall not be obliged to register a share in the names of more than four joint shareholders.

## **20. DENOMINATIONS OF SHARES**

The rights attaching to the shares of all classes may be expressed in two denominations and, in each of those classes, the proportion of a larger denomination share represented by a smaller denomination share shall be one thousandth of the larger denomination share.

## **21. TRANSFER AND TRANSMISSION OF SHARES**

- 21.1 All transfers of shares shall be effected by transfer in writing in any usual or common form or in any other form as may be approved by the Directors. The signature on the instrument of transfer may be affixed manually or electronically and may be an actual signature or a facsimile signature or any form of signature approved by the Directors. The Directors shall not be bound to enquire as to the genuineness of any

signature. The transferor shall remain the holder of the Shares concerned until such time as the name of the transferee is entered in the Register in respect thereof.

- 21.2 No instrument of transfer may be given in respect of more than one class of shares.
- 21.3 In the case of a transfer to joint holders, the number of joint holders to whom a share is to be transferred may not exceed four.
- 21.4 No transfer may result in either the transferor or the transferee holding fewer shares of the class concerned or shares of such class having a lesser aggregate value than any number or value as is stated in the Prospectus as the minimum number or value of shares of that class which may be held, except if the ACD in its discretion decides otherwise.
- 21.5 The Company may refuse to register a transfer of shares unless there has been paid for the account of the Company, an amount determined by the ACD not exceeding the amount that would be derived by applying the rate of stamp duty reserve tax to the market value of the shares being transferred. This Clause shall not apply to transfers excluded by law from a charge to stamp duty reserve tax.
- 21.6 Any person becoming entitled to a share or shares in consequence of the death or bankruptcy of a shareholder or otherwise by operation of law may, subject as provided below and upon such evidence being produced as may from time to time be lawfully required by the Directors as to his entitlement, either be registered himself as the holder of the share or shares, or elect to have some person nominated by him registered as the transferee thereof. If the person so becoming entitled elects to be registered himself, he shall deliver or send to the Company a notice in writing signed by him stating that he so elects. If he shall elect to have his nominee registered, he shall signify his election by signing and delivering or sending to the Company an instrument of transfer of such share or shares in favour of his nominee.
- 21.7 All the limitations, restrictions and provisions of this Instrument relating to the right to transfer and the registration of transfers of shares shall be applicable to any notice or instrument of transfer given or made pursuant to clause 21.6 as if the death or bankruptcy of the shareholder or other event giving rise to the transmission had not occurred and the notice or instrument of transfer were an instrument of transfer signed by that shareholder.
- 21.8 A person becoming entitled to a share in consequence of the death or bankruptcy of a shareholder or otherwise by operation of law shall (upon such evidence being produced as may from time to time be lawfully required by the ACD as to his entitlement) be entitled to receive and may give a discharge for any income distributions or other monies payable in respect of the share, but he shall not be entitled in respect of the share to receive notices of or to attend or vote at general meetings of the Company or, save as stated above, to exercise in respect of the share any of the rights or privileges of a shareholder until he shall have become

registered as the holder thereof. The ACD may at any time give notice requiring any such person to elect either to be registered himself or to transfer the share in question and if the notice is not complied with within sixty days the ACD may then withhold payment of any income distributions and other monies payable in respect of the share until the requirements of the notice have been complied with.

## **22. GENERAL MEETINGS**

22.1 All general meetings shall be called Extraordinary General Meetings.

22.2 The notice convening a general meeting shall specify the time and place of the meeting and the general nature of the business to be transacted.

## **23. PROCEEDINGS AT GENERAL MEETINGS**

23.1 The provisions of this Instrument which relate to proceedings at meetings shall apply mutatis mutandis to class meetings and Fund meetings as they apply to general meetings.

23.2 Prior to each general meeting, the Directors other than the ACD (or an associate of the ACD), shall nominate one of their number to act as chairman, or, if there are no Directors present or if all Directors present decline to take the chair, the Directors other than the ACD shall nominate another individual to act as Chairman. If such nomination is not made, the Depositary shall make the nomination. If the Director or individual so nominated is not present within fifteen minutes (which shall be deemed to be a reasonable time) after the time fixed for the start of the meeting or is not willing or able to act, the shareholders present shall choose one of their number to be chairman of the meeting.

23.3 No business may be transacted at a general meeting unless a quorum is present. The absence of a quorum does not prevent the appointment of a chairman in accordance with this Instrument, which shall not be treated as part of the business of the meeting. The quorum required to conduct business at a general meeting is two shareholders, present in person or by proxy or such other number as may be fixed by the Regulations from time to time.

23.4 If a quorum is not present within fifteen minutes (which shall be deemed to be a reasonable time) after the time fixed for the start of the meeting or if there is not longer a quorum present at any time during the meeting, the meeting, if convened on the requisition of members, is dissolved. In any other case it stands adjourned to such other day and time (being not less than seven nor more than 28 days after the day and time for the meeting) and place as the chairman decides. If at an adjourned meeting under this clause 23.2 a quorum is not present within fifteen minutes (which shall be deemed to be a reasonable time) after the time fixed for the start of the meeting the meeting shall be dissolved.

23.5 The chairman of any general meeting at which a quorum is present may with the consent of the meeting (and shall if so directed by the meeting) adjourn the meeting

from time to time (or for an indefinite period) and from place to place, but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place. Where a meeting is adjourned without agreement as to the date, time and place for the adjourned meeting, the date, time and place for the adjourned meeting shall be fixed by the Directors. When a meeting is adjourned for thirty days or more or for an indefinite period, not less than seven days' notice of the adjourned meeting shall be given in like manner as in the case of the original meeting.

- 23.6 Subject to clause 23.5, in the case of an adjourned meeting at which a quorum is present, it shall not be necessary to give any notice of such an adjournment or of the business to be transacted at the adjourned meeting.
- 23.7 A meeting of shareholders or a Fund meeting or a class meeting (as the case may be) duly convened and held shall have the power by the passing of the appropriate resolution to decide any matter (including, without limitation, the suspension or curtailment of the powers of the Directors, subject to the Regulations and (in the case of Fund meetings and class meetings) subject also to any rights in relation to that matter which shareholders of other Funds or classes may have.
- 23.8 The Depositary shall be entitled to appoint a representative to attend and speak on its behalf at each general meeting, Fund meeting and class meeting and shall be entitled to convene any such meeting.
- 23.9 A resolution put to the vote of a general meeting must be decided on a show of hands unless a poll is (before or on the declaration of the result of the show of hands) demanded by:
- (a) the chairman of the meeting;
  - (b) not less than two shareholders; or
  - (c) the Depositary.

A demand by a proxy is deemed to be a demand by the member appointing the proxy. The chairman must exercise his power to demand a poll if requested to do so by the ACD.

- 23.10 A demand for a poll may be withdrawn only with the approval of the chairman of the meeting. Unless a poll is required, a declaration by the chairman of the meeting that a resolution has been carried, or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the minute book or other record of proceedings, shall be conclusive evidence of that fact without proof of the number or proportion of the votes recorded for or against such resolution. If a poll is required, it shall be taken in such a manner (including the use of ballot papers or electronic or computer voting systems) as the chairman of the meeting may direct and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The chairman of the meeting may (and, if so directed by the meeting,

shall) appoint scrutineers and may adjourn the meeting to some place and time fixed by him for the purpose of declaring the result of the poll.

23.11 A poll demanded on the choice of the chairman or on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken either immediately or at such subsequent time (not being more than thirty days from the date of the meeting) and place and in such manner (including by post) as the chairman may direct. No notice need be given of a poll not taken immediately. The demand for a poll shall not prevent the continuance of the meeting for the transaction of any business other than the question on which the poll has been demanded.

23.12 The Directors may make such arrangements (the "Arrangements") as they shall in their absolute discretion consider to be appropriate for any of the following purposes:

- (a) to regulate the level of attendance at any place specified for the holding of a general meeting or any adjournment of such a meeting; or
- (b) to ensure the safety of people attending at any such place; or
- (c) to facilitate attendance at such meeting or adjournment;

and may from time to time vary the Arrangements or make new Arrangements in their place. Arrangements may include, without prejudice to the generality of the foregoing, the issue of tickets or the use of some random means of selection or otherwise as the Directors shall consider to be appropriate.

23.13 In the case of any meeting where the Arrangements apply, the Directors may, when specifying the place of the meeting:

- (a) direct that the meeting shall be held at a place specified in the notice ("Main Meeting Place") at which the chairman of the meeting shall preside; and
- (b) make arrangements for simultaneous attendance and participation at another place or other places by shareholders and proxies otherwise entitled to attend the general meeting but excluded from it under the provisions of this article or who wish to attend at the other place or any of such other places.

23.14 Arrangements for simultaneous attendance may include arrangements for regulating the level of attendance in the manner aforesaid at the other place or any of such other places. For the purposes of all other provisions of this instrument (unless the context requires otherwise) the shareholders shall be deemed to be meeting in one place, which shall be the Main Meeting Place.

## **24. VOTING RIGHTS**

- 24.1 The entitlement to vote at any general meeting of shareholders or class meeting or Fund meeting attaching to each share shall be in accordance with the FSA Rules. On a show of hands every shareholder who is present in person has one vote. On a poll, votes may be given either personally or by proxy or in any other manner permitted herein. The voting rights attached to each share shall be such proportion of the voting rights attached to all shares in issue in the Company or the Fund or the class, as the case may be, as the price of the shares bears to the aggregate price(s) of all the shares in issue of the Company or the Fund or the class.
- 24.2 Where a receiver or other person (by whatever name called) has been appointed by any court claiming jurisdiction in that regard to exercise powers with respect to the property or affairs of any shareholder on the ground (however formulated) of mental disorder, the Directors may in their absolute discretion upon or subject to production of such evidence of the appointment as the Directors may require, permit such receiver or other person on behalf of such shareholder to vote on a poll in person or by proxy at any general meeting, class meeting or Fund meeting of shareholders or to exercise any right other than the right to vote on a show of hands conferred by ownership of shares in relation to such a meeting.
- 24.3 No objection shall be raised as to the admissibility of any vote except at the meeting or adjourned meeting at which the vote objected to is or may be given or tendered and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection shall be referred to the chairman of the meeting whose decision shall be final and conclusive.

## **25. PROXIES**

- 25.1 An instrument appointing a proxy shall be in writing in any usual or common form or in any other form which the Directors may approve and:
- (a) in the case of an individual shall be signed by the appointor or his attorney; and
  - (b) in the case of a corporation shall be either given under its common seal or signed on its behalf by a person duly authorised for the purpose by the corporation.
- 25.2 The signature on such instrument need not be witnessed. Where an instrument appointing a proxy is signed on behalf of the appointor by an attorney, the letter or power of attorney or a duly certified copy thereof must (failing previous registration with the Company) be lodged with the instrument appointing the proxy pursuant to the next following clause, failing which the instrument may be treated as invalid.
- 25.3 An instrument appointing a proxy must be left at or delivered to such place or one of such places (if any) as may be specified for the purpose in or by way of note to or in any document accompanying the notice convening the meeting (or, if no place is so

specified, to or at the head office) by the time which is forty-eight hours before the time appointed for the holding of the meeting or adjourned meeting or (in the case of a poll taken otherwise than at or on the same day as the meeting or adjourned meeting) for the taking of the poll at which it is to be used and, in default, may be treated as invalid. The instrument appointing a proxy shall, unless the contrary is stated thereon, be valid as well for any adjournment of the meeting as for the meeting to which it relates.

- 25.4 A vote cast by proxy shall not be invalidated by the previous death or bankruptcy of the principal or by other transmission by operation of law of the title to the shares concerned or by the revocation of the appointment of the proxy or of the authority under which the appointment of the proxy was made provided that no intimation in writing of such death, insanity or revocation shall have been received by the Company at the head office by the time which is two hours before the commencement of the meeting or adjourned meeting or (in the case of a poll taken otherwise than at or on the same day as the meeting or adjourned meeting) the time appointed for the taking of the poll at which the vote is cast.

## **26. CORPORATE REPRESENTATIVES**

- 26.1 Any corporation which is shareholder of the Company may by resolution of its directors or other governing body of such corporation and in respect of any share or shares in the Company of which it is the holder authorise such individual as it thinks fit to act as its representative at any general meeting, class meeting or Fund meeting of the shareholder. The individual so authorised shall be entitled to exercise the same powers on behalf of such corporation as the corporation could exercise in respect of such share or shares if it were an individual shareholder of the Company and such corporation shall for the purposes of this Instrument be deemed to be present in person at any such meeting if an individual so authorised is so present.
- 26.2 Any corporation which is a Director of the Company may by resolution of its directors or other governing body authorise such individual as it thinks fit to act as its representative (but not the Depositary's representative) at any general meeting of the Company, Class meeting or Fund meeting or at any meeting of the Directors. The person so authorised shall be entitled to exercise the same powers at such meeting on behalf of such corporation as the corporation could exercise if it were an individual director and such corporation shall be deemed for the purposes of this Instrument to be present in person at any such meeting if an individual so authorised is so present.

## **27. DIRECTORS**

- 27.1 Unless otherwise determined by an extraordinary resolution of shareholders the Company shall have one Director only.

- 27.2 For so long as the ACD is the sole Director of the Company, the ACD shall have authority to exercise all the powers, authorities and discretions expressed in this Instrument to be vested in the directors generally.
- 27.3 If, and for so long as, there is no ACD acting in respect of the Company, the Directors shall (subject to the FSA Rules) have authority to exercise all the powers, authorities and discretions expressed in this Instrument to be vested in the ACD.
- 27.4 A Director is not required to hold any Shares in the Company by way of qualification.
- 27.5 A Director is entitled to attend and speak at any general meeting, at any Fund meeting and at any Class meeting.
- 27.6 The Directors may from time to time appoint one or more of their number to be the holder of any office executive or otherwise (including, where considered appropriate, the office of chairman or deputy chairman) on such terms and for such period as they may determine and, without prejudice to the terms of any contract entered into in any particular case, may at any time revoke any such appointment.
- 27.7 The appointment of any Director to any office (including that of chairman and deputy chairman) shall automatically end if he ceases to be a Director but without prejudice to any claim for damages for breach of any contract of service between him and the Company.
- 27.8 No resolution made by the Company in general meeting or by the holders of the shares of any Fund at a Fund meeting, or by the holders of the shares of any class at a class meeting shall invalidate any prior act of the Directors which would have been valid if such resolution had not been made.
- 27.9 Subject to the FSA Rules, the Directors may appoint agents and delegate any of the powers, authorities and discretions vested in or exercisable by them, with or without power to sub-delegate. Any such appointment or delegation made by the Directors in accordance with FSA Rules may be made upon such terms and subject to such conditions as the Directors may think fit, and the Directors may remove any such appointee, and may revoke or vary such delegation, but no person dealing in good faith and without notice of any such revocation or variation shall be affected by it doing so.
- 27.10 Subject to the FSA Rules, the Directors may by power of attorney appoint any company, firm or person or any fluctuating body of persons, whether nominated directly or indirectly by the Directors, to be the attorney or attorneys of the Company for such purposes and with such powers, authorities and discretions (not exceeding those vested in or exercisable by the Directors under this Instrument) and for such period and subject to such conditions as the Directors may think fit, and any such power of attorney may contain such provisions for the protection and convenience of persons dealing with any such attorney as the Directors may think fit, and may also

authorise any such attorney to sub-delegate all or any of the powers, authorities and discretions vested in him.

## **28. REMUNERATION AND REIMBURSEMENT OF EXPENSES OF DIRECTORS**

28.1 The Directors shall be entitled to remuneration for their services as Directors. Such remuneration shall (unless otherwise determined by the Directors) be deemed to accrue from day to day and the amount of such remuneration shall (subject to the FSA Rules) be determined by the Directors. The Directors shall be entitled to the reimbursement of expenses of any type disclosed in the Prospectus and for which it may be reimbursed in accordance with the Regulations.

28.2 Any Director who holds any executive office including that of ACD (and including for this purpose the office of chairman or deputy chairman whether or not such office is held in an executive capacity), or who serves on any committee of the Directors, or who otherwise performs services which, in the opinion of the Directors, are outside the scope of the ordinary duties of a Director, may (subject to the FSA Rules) be paid such extra remuneration by way of fees, salary, commission or otherwise as the Directors may determine.

28.3 The Directors may (subject to the FSA Rules) be paid by the Company all travelling, hotel and other expenses properly incurred by them (or, being a corporation, by their duly authorised representative(s)) in connection with their attendance at and return from meetings of the Directors, committees of such meetings, general meetings, Fund meetings or Class meetings of the Company or otherwise in connection with the business of the Company.

## **29. MEETINGS AND PROCEEDINGS OF DIRECTORS**

29.1 Clauses 29.2 to 29.10 shall not apply at any time when the ACD is the sole Director of the Company and any decision which is required by the Regulations or this Instrument to be taken by the Directors shall, if and for so long as the ACD is the sole director, be valid and effective if made by the ACD.

29.2 Subject to the provisions of this Instrument, the Directors may meet together for the despatch of business, adjourn and otherwise regulate their meetings as they think fit. At any time any Director may summon a meeting of the Directors by at least seven days notice in writing. Any Director may waive notice of any meeting (and any such waiver may be retroactive) and any Director who is present at a meeting of the Directors shall be deemed to have waived notice of such meeting.

29.3 The quorum necessary for the transaction of the business of the Directors may be fixed from time to time by the Directors and, unless so fixed at any other number, shall be two.

29.4 A resolution made by Directors who would (if attending a meeting) comprise a quorum and who are able to communicate (by means of a telephone or otherwise) simultaneously with one another shall be as valid and effectual as if passed at a

meeting of the board of Directors duly convened and held. Any or all of the Directors, or members of a committee, can take part in a meeting of the Directors or of a committee by way of a conference telephone or similar equipment designed to allow everybody to take part in the meeting. The meeting shall be treated as being held at the place where the chairman is calling from whether or not two or more Directors are in the same place. All Directors participating in that way shall be counted in the quorum of the meeting and be entitled to vote.

- 29.5 Questions arising at any meeting of the Directors shall be determined by a majority of votes cast. In the case of an equality of votes the chairman of the meeting shall have a second or casting vote.
- 29.6 The continuing Directors or a sole continuing Director may act notwithstanding any vacancy in their number but if and so long as the number of Directors is reduced below the minimum number fixed as the quorum, the continuing Directors or Director may (notwithstanding the provisions of clause 29.3) act for the purpose of filling such vacancies or of calling a general meeting but not for any other purpose. If there are no Directors able or willing to act, then any two shareholders may summon a general meeting for the purpose of appointing one or more Directors subject to any maximum number provided for in this Instrument.
- 29.7 Unless he is unwilling to do so, the Director (if any) appointed as chairman shall preside at every meeting at which he is present or, failing which, the deputy chairman (if any) shall so preside. If no chairman or deputy chairman shall have been appointed or if at any meeting of the Directors no chairman or deputy chairman shall be present within five minutes after the time appointed for holding the meeting, the Directors present may choose one of their number to be chairman of the meeting.
- 29.8 If at any time there is more than one deputy chairman the right in the absence of the chairman to preside at a meeting of the Directors or of the Company shall be determined as between the deputy chairmen present (if more than one) by seniority in length of appointment or otherwise as resolved by the Directors.
- 29.9 28.9 A resolution in writing signed by all the Directors entitled to vote at a meeting of Directors or of all members of a committee of Directors similarly entitled shall be as valid and effective as a resolution duly passed at a meeting of the Directors or (as the case may be) committee of Directors and may consist of several documents in the like form each signed by one or more Directors.
- 29.10 Subject to the FSA Rules, all acts done by the Directors or by any committee or by any person acting as a Director or member of a committee shall, notwithstanding that it is afterwards discovered that there was some defect in the appointment of any Director or such committee or that any Director was disqualified or had vacated office, be as valid as if every such person or committee had been duly appointed and that every person so acting was qualified and had continued to be a Director and had been entitled to vote.

### **30. INTERESTS OF DIRECTORS**

- 30.1 Subject to the Regulations and to clauses 30.2, 30.3 and 30.4 of this Instrument a Director may be party to, or in any way interested in, any contract or arrangement or transaction to which the Company is a party, or in which the Company is in any way interested, and he may hold and be remunerated in respect of any office or place of profit (other than the office of auditor of the Company) under the Company or any other company in which the Company is in any way interested (or any firm of which he is a member) and may act in a professional capacity for the Company or any such other company and be remunerated therefor and in any such case as aforesaid (save as otherwise agreed) he may retain for his own absolute use and benefit all profits and advantages accruing to him thereunder or in consequence thereof. Subject to the Regulations no such contract, arrangement or transaction shall be avoided on the grounds of any such interest or benefit.
- 30.2 Subject to clause 30.3, any interest of a kind referred to in the last preceding clause of this Instrument must be declared by the Director who is so interested at the meeting of the Directors at which the question of entering into the contract or arrangement is first taken into consideration. A general notice in writing given to the Directors by any Director to the effect that he is a shareholder, director, employee of, or might for any other reason be regarded as having an interest in relation to, any specified company or firm, and is to be regarded as interested in any contract or arrangement which may thereafter be made with that company or firm, shall (if such Director shall give the same at a meeting of the Directors or shall take reasonable steps to secure that the same is brought up and read at that next meeting of the Directors after it is given) be deemed a sufficient declaration of interest in relation to any contract or arrangement made.
- 30.3 If and for so long as the ACD is the sole Director of the Company the last preceding clause of this Instrument shall have no effect and, in such event, any interest of a kind referred to in clause 30.1 must be properly recorded and minuted by the ACD as soon as practicable after it becomes so interested. Nothing in this clause shall absolve the ACD from its fiduciary duty to act in the best interests of the Company as a whole.
- 30.4 Notwithstanding the provisions of clauses 30.1 and 30.2, a Director shall not vote at a meeting of the Directors (or of a committee of the Directors) on any resolution concerning a matter in which he has, directly or indirectly, an interest or duty which is material and which conflicts or may conflict with the interests of the Company unless his interest or duty arises only because the case falls within one or more of the following sub-clauses:
- (a) any proposal concerning the terms of the appointment or re-appointment of a Director as the ACD, or any ratification of the terms of such appointment or re-appointment;

- (b) any proposal concerning the terms of the appointment or re-appointment of a Director who is an associate of the ACD, or any ratification of the terms of such appointment or re-appointment;
- (c) any proposal concerning any other company in which he is interested, directly or indirectly, and whether as an officer or shareholder or otherwise howsoever provided that he is not the holder of or beneficially interested in one per cent. or more of the issued shares of any class of such company (or of any third company of which such company is a subsidiary) or of the voting rights available to members of the relevant company (any such interest being deemed for the purposes of this clause to be a material interest in all circumstances); or
- (d) any proposal concerning any insurance which the Company is empowered to purchase and/or maintain for the benefit of and against any liability incurred by any Director(s) or persons who include or may include Directors.

30.5 If, and for so long as, the ACD is the sole Director of the Company, or at any meeting of the Directors at which the terms of the appointment or re-appointment of the ACD are considered, there is no quorum of Directors present and entitled to vote, the last preceding clause shall have no effect and (for the avoidance of doubt), the ACD shall, subject to the Regulations, be entitled at its own discretion to determine the terms of its appointment or re-appointment as such with the Company notwithstanding its interest therein which terms shall be set out in writing in a contract between the ACD and the Company.

30.6 A Director may be counted in the quorum at a meeting of the Directors or committee of the Directors in relation to any resolution on which he is debarred from voting.

30.7 Where proposals are under consideration concerning the appointment (including fixing or varying the terms of appointment) of two or more Directors to offices or employments with the Company or any body corporate in which the Company is interested such proposals may be divided and considered in relation to each Director separately and in such case each of the Directors concerned (if not debarred from voting under clause 30.1) shall be entitled to vote (and be counted in the quorum) in respect of each resolution except that concerning his own appointment.

30.8 If any question shall arise at any time as to the materiality of any interest of a Director (other than the chairman of the meeting in question) or as to the entitlement of any such Director to vote and such question is not resolved by his voluntarily agreeing to abstain from voting such question shall be referred to the chairman of the meeting and his ruling in relation to any other Director shall be final and conclusive except in a case where the nature or extent of the interests of such Director has not been fully and fairly disclosed.

- 30.9 If any question shall arise at any time as to the materiality of the interest of the chairman of the meeting or as to the entitlement of such person to vote or be counted in a quorum and such question is not resolved by his voluntarily agreeing to abstain from voting, such question shall be decided by resolution of the Directors or a committee of the Directors (excluding the chairman) whose majority vote shall be final and conclusive.
- 30.10 The Company may by ordinary resolution suspend or relax any provision of this Instrument prohibiting a Director from voting at a meeting of Directors (or of a committee of Directors) or ratify any transaction not duly authorised by reason of a contravention of this Instrument.

### **31. MINUTES OF DIRECTORS' MEETING**

- 31.1 The Directors shall cause records to be made and kept in permanent form of all:
- (a) appointments of officers made by the Directors;
  - (b) proceedings at meetings of the Company, the holders of any class of shares, or the holders of shares in any Fund;
  - (c) proceedings of the Directors and committees of Directors, which records shall include the names of the Directors present at such meetings; and
  - (d) resolutions made by the ACD otherwise than at a meeting and all other matters required by this Instrument to be formally recorded by the ACD.

### **32. APPOINTMENT, RETIREMENT AND REMOVAL OF DIRECTORS**

- 32.1 The Directors shall have power, at any time and from time to time, to appoint any person to be a Director of the Company, either to fill a casual vacancy or as an addition to the existing Directors, but so that the total number of Directors shall not at any time exceed the maximum number, if any, fixed by or pursuant to this Instrument. Any such appointment shall take effect only upon the satisfaction of either of the conditions appearing in Regulation 21(3) of the OEIC Regulations and shall have no effect unless and until either of such conditions shall have been satisfied. Any Director so appointed must retire from office at the next following annual general meeting, at which time he shall then be eligible for re-election.
- 32.2 No person (other than the ACD or a person nominated by the Directors) shall be eligible for election to the office of Director at any general meeting unless, not less than seven and not more than forty-two days before the date appointed for the meeting, notice in writing has been left at the head office, signed by a member duly qualified to attend and vote at such meeting, of his intention to propose such person for election, together with notice in writing signed by that person of his willingness to be elected

- 32.3 A single resolution for the appointment of two or more persons as Directors shall not be put at any general meeting, unless a resolution that it shall be so put has first been agreed to by the meeting without any vote being given against it.
- 32.4 Subject to the provisions of the FSA Rules and Regulation 21 of the OEIC Regulations and notwithstanding any other provision of this Instrument, the office of Director shall be vacated in any of the following events, namely:
- (a) if, not being a Director who is employed under a contract which precludes resignation, he resigns his office by notice in writing signed by him and left at the head office of the Company or if he offers in writing to resign and the Directors shall resolve to accept such offer; or
  - (b) if he becomes prohibited by law or regulation (including any provision of the Regulations) from acting as a Director (or, being the ACD, as ACD); or
  - (c) if he becomes bankrupt, has an interim receiving order made against him or compounds with his creditors generally or applies to the court for an interim order under section 253 Insolvency Act 1986 in connection with a voluntary arrangement under that Act or if, being a body corporate, a receiver or liquidator is appointed other than for the purpose of reconstruction or amalgamation in respect of the Director or a resolution is passed to wind up the Director or if an administrator or administrative receiver is appointed over all or any part of the Director's assets; or
  - (d) if an order is made anywhere in the world by any court claiming jurisdiction in that behalf on the ground (howsoever formulated) of mental disorder, for his detention or for the appointment of a guardian or receiver or other person (by whatever name called) to exercise powers with respect to his property or affairs; or
  - (e) if he is absent from meetings of the Directors (or of committees of Directors) continuously for six months without sanction of the Directors and the other Directors resolve that his office be vacated; or
  - (f) upon the expiry of any period or notice period stated in an agreement for the provision of services between the Company and the Director or if such agreement is summarily terminated in accordance with its terms.
- 32.5 The Company may by ordinary resolution remove any Director before the expiration of his period of office notwithstanding anything in this Instrument or in any agreement between the Company and such Director. Such removal shall take effect only upon the satisfaction of either of the conditions appearing in Regulation 21(3) of the OEIC Regulations and shall be without prejudice to any claim such Director may have for damages for breach of any such agreement.
- 32.6 Notice of the intention to move a resolution under clause 32.5 must be given to the Company at least 28 days before the meeting at which it is moved.

- 32.7 The Company shall give notice to shareholders of any such resolution at the same time and in the same manner as it gives notice of the meeting or, if that is not practicable, shall give them notice by advertisement in a newspaper having an appropriate circulation at least 14 days before the meeting.
- 32.8 If, after notice of the intention to move such a resolution has been given to the Company, a meeting is called for a date 28 days or less after the notice has been given, the notice is deemed properly given, though not given within the time required.
- 32.9 A vacancy created by the removal of a Director under this section, if not filled at the meeting at which he is removed, may be filled as a casual vacancy.

### **33. AMENDMENTS**

Amendments may be made to this Instrument by resolution of the Directors to the extent permitted by the FSA Rules.

### **34. INCOME EQUALISATION**

- 34.1 Except where the Directors determine otherwise, the following clause shall apply to the shares of the Funds as indicated in Part 1 of the Schedule to this Instrument from time to time.
- 34.2 An allocation of income (whether annual or interim) to be made in respect of each share to which this clause applies issued by the Company or sold by the ACD during the accounting period in respect of which that income allocation is made shall
- (a) in the case of Net Paying Shares, be of the same amount as the allocation to be made in respect of the other Shares of the same Class issued in respect of the same Fund but shall include a capital sum (“income equalisation”) representing the ACD’s best estimate of the amount of net income included in the price of that Share and calculated in accordance with the following clause; or
  - (b) in the case of Gross Paying Shares, may be of a higher amount than that allocated in respect of the other Shares of the same Class issued in respect of the same Fund as the proportion of the allocation attributable to income equalisation will have no associated tax amount that may be included in the allocation.
- 34.3 The amount of income equalisation in respect of any share to which clause 34.2 applies shall be either:
- (a) the actual amount of income included in the issue price of that share; or
  - (b) an amount arrived at by taking the aggregate of the amounts of income included in the price in respect of shares of that class issued or sold in the

annual or interest accounting period in question and dividing that aggregate amount by the number of such shares and applying the resultant average to each of the shares in question.

### **35. RIGHTS IN SCHEME PROPERTY AND ALLOCATION OF INCOME**

35.1 The proportionate interests of different share classes and of holders of shares in each share class in the property of the Scheme shall be calculated on the basis of Part 4 of the Schedule.

Name: **PFS Somerset Emerging Markets Dividend Growth Fund**

Investment Objective: The Fund seeks to achieve capital appreciation and income growth by mainly investing in an actively managed portfolio of dividend-paying emerging market securities.

Each Fund may invest in derivatives for investment purposes. However, this policy is not currently applied and may not be applied without giving the required 60 day notice to Shareholders.   6. Futures or contracts for differences which are not yet due to be performed and unexpired and unexercised written or purchased options shall not be included under paragraph 5.
  7. All agreements are to be included under paragraph 5 which are, or ought reasonably to have been, known to the person valuing the property assuming that all other persons in the ACD's employment take all reasonable steps to inform it immediately of the making of any agreement.
  8. #### **Part 4 – Allocation of Rights to Participate in the Property of a Fund**

1. If there is more than one class of shares in issue in a Fund, the proportionate interests of each class of shares in the assets and liabilities of the Fund shall be ascertained as follows:
  - 1.1 A notional account shall be maintained for each class of shares. Each account shall be referred to as a “Proportion Account”.
  - 1.2 The word “proportion” in the following paragraphs means the proportion which the balance on a Proportion Account at the relevant time bears to the balance on all the Proportion Accounts of a Fund at that time.
  - 1.3 There shall be credited to a Proportion Account:
    - 1.3.1 the subscription money (excluding any initial charges or dilution levy) for the issue of shares of the relevant class;
    - 1.3.2 that class’s proportion of the amount by which the Net Asset Value of the Fund exceeds the total subscription money for all shares in the Fund;
    - 1.3.3 that class’s proportion of the Fund income received and receivable; and
    - 1.3.4 any notional tax benefit under paragraph 1.5 below.
  - 1.4 There shall be debited to a Proportion Account:
    - 1.4.1 the redemption payment for the cancellation of shares of the relevant class of shares;
    - 1.4.2 that class’s proportion of any amount by which Net Asset Value of the Fund falls short of the total subscription money for all shares in the Fund;
    - 1.4.3 all distributions of income (including equalisation if any) made to shareholders of that class of shares;
    - 1.4.4 all costs, charges and expenses incurred solely in respect of that class of shares;
    - 1.4.5 that class’s proportion of the costs, charges and expenses incurred in respect of that class of shares and one or more other classes in the Fund, but not in respect of the Fund as a whole;
    - 1.4.6 that class’s proportion of the costs, charges and expenses incurred in respect of or attributable to the Fund as a whole; and

- 1.5 Any tax liability in respect of the Fund and any tax benefit received or receivable in respect of the Fund shall be allocated between share classes in order to achieve, so far as possible, the same result as would have been achieved if each class of shares were itself a Fund so as not materially to prejudice any class of shares. The allocation shall be carried out by the ACD after consultation with the auditors.
- 1.6 Where a class of shares is denominated in a currency which is not the base currency, the balance on the Proportion Accounts shall be converted into the base currency in order to ascertain the proportions of all share classes. Conversions between currencies shall be at a rate of exchange decided by the ACD as being a rate that is not likely to result in any material prejudice to the interests of shareholders or potential shareholders.
- 1.7 The Proportion Accounts are notional accounts maintained for the purpose of calculated proportions. They do not represent debts from the Company to shareholders or the other way round.
2. Each credit and debit to a Proportion Account shall be allocated to that account on the basis of that class's proportion immediately before the allocation. All such adjustments shall be made as are necessary to ensure that on no occasion on which the proportions are ascertained is any amount counted more than once.
3. When shares are issued thereafter each such share shall represent the same proportionate interest in the property of the relevant Fund as each other share of the same denomination and class of shares then in issue in respect of that Fund and the respective proportion of income allocated to a particular class shall be allocated equally between each share of the same class.
